To help ensure the safe delivery of the vaccine during the COVID-19 pandemic, we ask that you follow these guidelines:

- If you suspect or confirm you have COVID-19, please do not attend the clinic.
- All individuals will be screened for symptoms of COVID-19 upon arrival at the clinic.
- The flu vaccine will not be administered to Individuals with suspected or confirmed COVID-19, regardless of whether you have symptoms.
- Your vehicle should only have individuals who will be receiving the flu vaccine.
- All individuals in the vehicle must wear face coverings.
- The flu vaccine will only be administered to adults 18 years and older.
