

Help address homelessness
in our community.

Sign up to volunteer for the

2023 Point-in-Time Count

On Wednesday, January 25, 2023, from 4:30 a.m. to 9:00 a.m., teams of volunteers across Kern County will come together to count the number of people experiencing homelessness in our communities.

The Point-in-Time (PIT) Count provides a snapshot view of homelessness in our county. We depend on an accurate PIT Count to know the needs of our community.

Volunteers are an important part of our PIT Count. We depend on community members to survey our communities and make sure every one of our neighbors experiencing homelessness is counted.

Here's How You Can Help

1. Sign Up

Register for
Training

2. Attend Training

All volunteers are required to attend a mandatory 2-hour training. You can choose in person or zoom training during registration.

3. Show Up

Arrive on Wednesday, January 25 at 4:30 a.m. to survey the number of people experiencing homelessness in our community.
