WORLD AIDS DAY

FRIDAY, DEC 1, 2023

12 A.M. - 1 P.M.

A unity event where we come together to show support for people living with HIV and remember those who have passed from AIDS-related illnesses.

This World AIDS Day is more than a celebration of the achievements of communities; it is a **call to action** to enable and support communities in their leadership roles.

The world can end AIDS,
with **communities leading the way.**
