Important Info

Sending 1 (but no more than 3) staff to this convening is required to apply for Kern YHDP project funds in 2025.*

If your program has a unique barrier that prevents you from attending, please contact BKRHC to set-up alternative arrangements.

Each program that intends to apply for YHDP funding must send staff.

Example: If an agency has multiple programs under it such as Outreach, Employment & Housing, each of those programs who plan to apply for YHDP funding must attend - not just 1 staff from the umbrella agency.

Pre-registration is required to attend.
